<ul style="list-style-type: none"> ▪ Customers will be charged a fixed yearly charge (calculated on a daily basis) for each rateable unit on the property; ▪ Plus a volumetric charge per 1,000 litres of water used 	\$482.00 \$2.68
<ul style="list-style-type: none"> ▪ For qualifying community facilities such as churches, community halls, and marae the fixed yearly charge is; ▪ Plus a volumetric charge per 1,000 litres of water used 	\$328.00 \$1.68

- For non residential customers who use large volumes of water, and who are able to demonstrate to our satisfaction that a substantial proportion of the water is not returned to our wastewater network (for example, where the water is consumed as part of an industrial process), we will consider reducing the volume-based wastewater charge to better reflect the volume of wastewater which is actually discharged in our wastewater network.
- Non residential customers who pay full trade waste charges to Watercare Services Limited will pay the fixed yearly charge and a volumetric wastewater charge of \$1.25 per 1,000 litres (GST inclusive). From 1 July 2009 the fixed yearly charge reduces to \$482 and the volumetric charge of \$1.25 per 1,000 litres is retained.
